STATEMENTS OF CONSENT

I understand that this safety information is written above and that the information is also displayed prominently at the course. I will ask a member of staff if there is anything that I am unsure of. I understand that the activity requires a moderate level of fitness and might be physically challenging. I accept that there is a risk of injury when undertaking such activities.

I acknowledge that any persons within my group will be made aware of the responsibility that they have for their personal safety (and the safety of possessions) when carrying out the activity. I understand that some of the activities will be undertaken without direct supervision following the safety instruction. I agree that all participants in my group will wear any safety equipment provided by ALTITUDE High Ropes in accordance with the safety instructions provided, at all times.

In the unlikely event of an accident, or loss or damage to personal effects, I acknowledge that ALTITUDE High Ropes will not be liable for any direct or indirect loss, damage or injury arising from or in connection with the activity, except in instances of personal injury directly caused by the Company's negligence, and I waive all claims against the Company in this respect.

I confirm that I do not know of any medical condition that I or any of the persons within my group have which might have an adverse affect on their ability and safety. I confirm that I will inform staff of any specific needs or medical conditions on the reserve of this form.

I accept that if any of the persons within my group are not compliant with the rules of the Centre and the height + weight restrictions, then they may not be able to take part. In this instance I accept that ALTITUDE High Ropes shall be under no obligation to provide a refund. I accept that, after the safety brief and kit up there will be no entitlement to any refund.

Participating in adventurous activities will always have associated risks of personal injury. We make every effort to minimise this risk – our systems are extremely safe, regularly checked and our instructors are trained to a high standard. However, participants in these activities should be aware of the risks and be responsible for their own actions.
